

Help US find YOU In an Emergency!

Northampton County would like to ensure that we are able to find you quickly in an emergency. Please post your house numbers properly so that we may find you when you have an emergency. It could be the difference between life and death or loss of property.

The Northampton County Addressing Ordinance requires all addresses to be posted. The following are required by ordinance of Northampton County:

- All posted numbers must be easy to see without obstruction of view
- All numbers shall be constructed of a durable material
- The color shall contrast with the color scheme of the structure
- Number Height – Posted numbers for homes must be at least four (4) inches, all other structures must be at least six (6) inches in height.
- Any business or home that is more than 100 feet from roadway and not clearly visible, must post numbers at the roadway on same side of road as structure and at the structure located in close proximity of the front door or entrance way.
- Northampton County highly recommends the use of signs with reflective numerals.

For help in finding your correct numerical address, please contact the Northampton County Land Records Office at 252-534-5941.

Please be sure your house numbers are visible and posted to
